Application Guidelines
Admission Policy of Gunma University Graduate School

Admission policy
~ We seek the following applicants ~
We seek applicants who have academic skills and capabilities required by the graduate schools or institutes according to their programs or specialties. Applicants should be motivated to contribute to the development of society through research and practice.

Admission Policy of Gunma University The Graduate School of Health Sciences (Doctoral Program)

~ Our Doctoral Program is recruiting for the following applicants. ~
<Objectives of human resource development>
(1) Persons who can practice creative or interdisciplinary researches in the health care and welfare fields.
(2) Persons who can practice a high degree of education in the health care and welfare fields
(3) Persons who have a high level of expertise and technique in health sciences and will become a leader in the health care and welfare fields
(4) Persons who can engage in guidance, education and research in the international health care and welfare fields

<Capabilities and qualities required for enrolled students>
(1) Persons who aspire to make a contribution to society with Master’s level expertise and research experience in the health care and welfare fields
(2) Persons with the aspiration to make a contribution to society in the health care and welfare fields in the future

<Screening method>
We comprehensively evaluate the results of the academic examination (foreign language (English) and the oral test, achievements including the Master's thesis or achievements including academic papers you have published as first author, and academic performance. The foreign language test measures your reading comprehension of the English literature. The oral test asks specialized knowledge and research capability individually to evaluate the adequacy and motivation as researcher or professional with a high level of expertise.

(Note 1) The number of students recruited includes the students admitted through the entrance examination for working people and international students.

(Note 2) Contact the supervisor (see pages 36-38) prior to the application and make sure to consult him/her on what you want to study after admission.
When you can’t contact the supervisor, please contact the Admissions section, see page 27, (1).

2 Application eligibility

(1) General entrance examination

Applicants need to fall under any of the following provisions.

1) A person who has or is expected to have a master's degree or a professional degree by March 2019

2) A person who has obtained or is expected to obtain a master's degree or a degree equivalent to a professional degree by March 2019

3) A person who has completed the subjects in Japan by the correspondence education provided by a foreign educational institute, and has obtained or is expected to obtain a master’s degree or a degree equivalent to a professional degree by March, 2019

4) A person who has completed a course in Japan, separately designated by the Minister of Education, Culture, Sports, Science and Technology (MEXT), of an foreign educational institute considered to have a program of graduate school of foreign country and has obtained or is expected to obtain a master’s degree or a degree equivalent to a professional degree by March, 2019

5) A person who has completed the course of the United Nations University, and has obtained or is expected to obtain a degree equivalent to a master's degree by March, 2019

6) A person who has taken a course of foreign school, the designated educational institute stipulated in the item 4 or the United Nations University, and have passed a screening test equivalent to the evaluation of basic skill for doctoral thesis research, and has been proved to have an academic ability comparable to people with a Master’s degree

7) A person specified by the Ministry of MEXT

A person who has been engaged in a research for at least two years at university or research institute after graduating from a university or completing 16 years of school education outside Japan, and has been recognized by our graduate school to have an academic ability equal or more to a Master’s degree or a professional degree due to its research achievements

8) A person whose scholastic ability has been admitted by individual pre-admission screening to be at least equivalent to that of a person with a Master’s degree or a professional degree and who will reach the age of 24 by March 31, 2019,

(2) Entrance examination for working people

People who are permitted to apply for the entrance examination need to meet any of the preceding application eligibility for (1) General entrance examination, and who have work experience of a total of at least three years at any medical, health care or welfare institution, educational and research institution, public office or business institution by March 31, 2019 and will still continue to work even after enrollment, and will reach the age of 24 by the said date.
(3) Entrance examination for international students

Foreign people without Japanese citizenship are permitted to apply for the entrance examination when they have or are expected to have a status of residence which is not interfering with university admission, and have not obtained permanent residency in Japan and fall under any one of the application eligibilities for general entrance examination.

3 Screening of application eligibility

A person (including applicant for entrance examination for working people), who intends to apply under the provisions of the applicant eligibility 7) and 8), needs to receive certification for the application eligibility by taking our pre-admission screening prior to the application.

We evaluate applicants who try to apply for the entrance examination pursuant to the preceding applicant eligibility 8) based on the following criteria.

"Applicants who graduated from a university, junior college, or completed the course of specialist course of Specialized Training College, technical college, or fourteen years of school education outside Japan, and subsequently have a total of at least five years' work experience (at least three years for university graduates) in a medical/health care/welfare institution, educational research institution, civil service, or private enterprise by the time of enrollment and who have been recognized to have a academic ability comparable to people with a Master's degree due to their academic papers, books, and publication of research findings"

The screening result will be notified to the applicant by Friday December 28, 2018.

(1) Deadline for application

Due not later than Friday November 30, 2018

(2) Documents to be submitted

(a) Application form for admission eligibility (Form 8 attached to this guideline)
(b) Reports on research history and work history (using Form 9 attached to this guideline)
(c) Research results or other noted accomplishments such as literature, if any,
(d) A certificate of graduation or completion issued by the applicant’s highest level of schooling
(e) Academic transcript issued by the applicant’s highest level of schooling

(3) Application documents should be sent to:

Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University, 3-39-22 Showa-machi, Maebashi City, Gunma 371-8511, JAPAN
TEL. +81-27-220-7797

4 Application period

Application documents must arrive during the period from Friday January 4, 2019 to Thursday January 10, 2019 by mail.

However, you can bring application documents with you during the time from 13:00 to 17:00 (to be punctual) only on Thursday January 10.

(Note) No application documents are accepted after the application period. Applicants need to take full account of necessary days for mail correspondence and send the application documents earlier.

An applicant with some special reason needs to contact Admissions Section, Educational Affairs Office, TEL:+81-27-220-7797 by 17:00 on Friday January 4, 2019.

5 Application procedures

Applicants need to send the following application documents by registered express mail to the Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University shown on page 27 (1) with stating in red on the surface of the envelope the fact that the application documents for the Graduate School of Health Sciences (Doctoral Program), Gunma
University are enclosed.

<Application documents> (those written in a foreign language other than English need to come with the English or Japanese version.)

</table>

Note 1 Applicants can use any one of English-Japanese dictionary, English-English dictionary or other similar dictionary (excluding electronic dictionary and technical dictionary) at the foreign language (English) test.

Note 2 The oral test asks specialized knowledge, research capability and study plan of each applicant individually to evaluate the adequacy and motivation as researcher or professional with a high level of expertise.

Note 3 Foreign language (English) examination

Applicants of International Student Entrance Exam or General Entrance Exam can substitute a written test of foreign language (English) with submitting any score of TOEFL-PBT (paper-based test), TOEFL-iBT (internet-based test), TOEIC Listening & Reading Test (open test), or IELTS (academic module). The score of TOEFL-ITP (TOEFL Institutional Testing Program) is also subject to evaluation according to the score of TOEFL-PBT.

Applicants who have submitted any one of TOEFL’s official score report, score card, official certificate of TOEIC Listening & Reading Test (open test) or IELTS (academic module) at the time of application can take the “Foreign Language (English)” test also, if they wish. In that case, the better result will be used for evaluation.

The score of TOEFL, TOEIC Listening & Reading Test (open test) or IELTS (academic module) issued after February 2016 shall be valid. You need to submit the original of the score report, score card or official certificate. The copy is not acceptable. The original shall be returned with the examination admission ticket.

Note 4 Foreign applicants can choose questions and answers in English when they take the foreign language (English) test. A foreign applicant who wants to take an exam in English needs to contact the “Admissions Section, Educational Affairs Office, TEL. +81-27-220-7797 E-mail : kk-mgakumu5@jimu.gunma-u.ac.jp” by 17:00 on Friday November 30, 2018. We may ask foreign applicants some questions about Japanese proficiency at the oral examination.
<International Student Entrance Exam>

Note 1 Oral examination

(1) For applicants with difficulty in coming to Japan for oral examination, we may use the results of the interview on the Internet for evaluation. However, the above shall be applied only in the case where the applicants have submitted any score of TOEFL-PBT (paper-based test), TOEFL-iBT (Internet-based test), TOEIC Listening & Reading Test (open test), or IELTS (academic module).

(2) In principal, the oral examination of the international student entrance examination is held in English. Subsequently, we may ask some questions about Japanese proficiency.

<Date of examination>
The examination is held on the same day with the general entrance examination. However, the schedule for the interview on the Internet is determined individually.

(Messages about the International Student Entrance Exam>
Contact the supervisor you want to receive guidance (see pages 36-38) prior to the application and make sure to consult him/her on your research plan after admission. Note that most of the lectures are held in Japanese.

<Double applications for the international student entrance examination and the general entrance examination>
Not acceptable.

10 Exam Instructions

(1) The examination admission ticket must be brought with you on the examination day.

(2) Examinees who take the "Foreign Language (English)" must enter the prescribed examination room by 10:30. Late arrivals for the examination will be accepted to take the examination within 30 minutes after the start of the examination, but the test time shall not be extended.

(3) No relief measures are taken for any common daily life noises such as test proctor’s footsteps, conversation necessary for invigilation, noises of aircraft, ambulance, car, weather and air conditioning, cough, sneeze, sniffing of applicants around you, short sound of mobile phone or watch, and chime from a nearby building.

(4) Examinees must take all tests on the examination subjects assigned, or he/she will be disqualified.

(5) You need to bring your lunch on the day of the examination. (There is no restaurant nearby.)

(6) When a delay occurs on the public transport on the examination day, please contact:
Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University (TEL. +81-27-220-7797)

(7) If unexpected incidents (a disaster, an accident, etc.) happen on the day of examination, visit our website (http://www.health.gunma-u.ac.jp/) for your reference. In principle, we will not conduct supplementary examinations.

11 Announcement of Successful Applicants
Letters of acceptance will be mailed to successful applicants on February 27 (Wed.), 2019. At the same time, successful examinee’s numbers will be posted on the website of “the Graduate School of Health Sciences, Gunma University” after 10:00 to the last day for admission procedures. Notice about the announcement of successful applicants will not be posted in Gunma University campus.

Additionally, any inquiries about selection results by telephone will not be accepted.

12 Admission Procedures
The successful applicant is required to read the “admissions guide” enclosed with “the letter of
acceptance” carefully and must prepare (1) fees and documents for admission procedures, (3) during the period of the admission procedures, and submit them to the (4) place by “mail” or “in person”.

Those who will continue to work need to obtain a written approval for school attendance issued by their employer in the admission procedure.

(1) Fees and documents for admission procedures
   ① Admission fee: ¥282,000 (JPY 282,000)
      Notes: (a) Applicants who are completing the Graduate School of Health Sciences (Master's Program), Gunma University and will enter the Doctoral Program shall be exempted from the examination fee.
      (b) Any revisions to admission fee during enrollment shall be applied.
      (c) Methods for payment of the admission fee will be informed separately.
      (d) Admission fee paid shall not be refunded under any circumstances.

   ② Examination admission ticket

   ③ Any additional documents instructed in the admissions guide.

(2) Fees after entrance.

   Tuition fee: (first-semester) ¥267,900 (JPY 267,900)  (Annual tuition fee: ¥535,800 (JPY 535,800))
   Notes: (a) Any revisions to tuition fees during enrollment shall be applied.
   (b) Methods for payment of the tuition fee will be informed separately.
   (c) Tuition fee including the tuition fee for the second-semester can be paid at the time of paying the tuition fee for the first-semester according to the successful applicant’s wishes.
   (d) If a person who completes the admission procedures declines the admission by March 31 (Sun.), 2019, the amount equivalent to the tuition fee paid shall be refunded based on his/her request by following the prescribed procedures.

Those who apply for the long-term degree completion (17 of Page 32) only need to pay the admission fee first and each will be noticed about the tuition after fixing its annual fee.

(3) Period of Admission Procedures
   ○ By mail: The necessary documents must arrive at the university no later than March 8 (Fri.), 2019.
   ○ In person: The necessary documents must be brought no later than March 8 (Fri.), 2019 (until 17:00)
   Note: Whether the procedure is taken “By mail” or “In person”, he/she will be regarded as a person who declines the admission if the admission procedures are not completed by the above deadline.

(4) Fees and documents should be submitted to:
   Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University, 3-39-22 Showa-machi, Maebashi City, Gunma 371-8511, JAPAN
   (The third floor of Common Building)

13 Additional admission
When the number of enrolled students who have completed the school registration by Friday, March 8, 2019 is less than that the number to be admitted, we may fill the enrollment capacity by granting the additional admission. Students granted the additional admission will be informed after 10:00 March 11 (Mon.), 2019 by calling to the phone number stated on the application.

14 Exemption and Postponement of Admission Fee and Tuition Fee Payment
The admission fee or the tuition fee may be exempted in full or by half for admitted students who have difficulty paying due to special circumstances.
Also, the collection of admission fee or tuition fee can be postponed for a certain period for students who have difficulty paying until the specified date.

Inquiries:
Education and Student Support Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University TEL. +81-27-220-7796
Gunma University has a system of exemption from admission fee or tuition fee for those recognized as having difficulty in paying due to suffering from the Great East Japan Earthquake.

Inquiries:
Student Life Section, Student Support Office, Educational Division, Aramaki Campus of Gunma University TEL. +81-27-220-7136

Gunma University has a system of exemption from admission fee or tuition fee for prominent students with excellent entrance results and academic performance based on the recommendation of each graduate school and educational organization.

Inquiries:
Student Life Section, Student Support Office, Educational Division, Aramaki Campus of Gunma University TEL. +81-27-220-7136

15 Scholarship
Student loan and scholarships are available by Japan Student Services Organization (JASSO) for a person who has difficulty in paying the tuition fee, and who has great academic performance and excellent character.

Inquiries:
Education and Student Support Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University TEL. +81-27-220-7792

16 Special measures for educational method
We offer the day and evening courses system for students who have passed the entrance examination for working people, and those in employment who have passed the general entrance examination, if they wish.
Under the system, education is provided at night (from 18:00 to 21:30), on Saturdays, Sundays and national holidays and during summer or other vacation period.

17 System for long-term degree completion
The system allows particular students such as students in employment who have difficulty completing the regular course within the formally-stated period of study (3 years) to extend the study period so that they can take and complete the courses systematically over the said period.

Students who want to use the system need to consult with the supervisor and apply within the application period.
(1) Eligible students
1) Students in employment (or to be employed) who have difficulty sparing time to study or to take lessons due to business assignment,
2) Students who have difficulty sparing time to study or to take lessons due to household duties, childcare and/or nursing care,
3) Besides these, students who have reasons the Graduate School of Health Sciences approves for application of the said system.
(2) Long-term study period
The period adding one to three years to the formally-stated period of study
(However, the school days should not exceed twice as long as the said period of study)
3) Tuition fee
   The annual tuition fee for the long-term study period is the amount obtained by multiplying the number of years equivalent to the number of the formally-stated period of study (three years) to the prescribed annual tuition fee (JPY 535,800) and then being divided by the number of course term given for a long-term student.

4) Application period
   From Thursday, February 28 to Friday, March 8, 2019

5) Documents to be submitted
   1) Application form for the system for long-term degree completion
   2) Curriculum/study plan under the system for long-term degree completion
   3) Certificate of enrollment required for a student in employment
   4) Other documents required by the Graduate School of Health Sciences
      Refer to the guideline enclosed with the letter of acceptance for details.

6) Inquiries :
   Graduate Student Section, Educational Affairs office, Showa Campus, Gunma University TEL. +81-27-220-7804

18 Information disclosure about entrance examination
   The information about entrance examination is disclosed in the following way.
   (1) Disclosure on the website
   The numbers of applicants, examinees, successful examinees and enrolled students, the number of enrolled students by gender
   Release date: Wednesday, May 1, 2019
   (2) The score of an examinee's foreign language tests are disclosed on demand from the examinee in writing
   Disclosure application period:
   From Wednesday, May 1 to Friday, May 31, 2019
   (3) Inquiries :
      Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University
      TEL. +81-27-220-7797

19 Protection of the Personal Information about the Applicants for Admission etc.
   Gunma University will acquire the personal information about the applicants, etc. through the application documents submitted and the personal information about the examinees by carrying out the entrance examination, but the personal information described above will be used only for the following operations based on "Act on the Protection of Personal Information Held by National University Corporation Gunma University".
   (1) For the operations (including subordinate operation, such as statistical processing) concerning the selection of newly enrolled students.
   (2) For the operations concerning the student advising, the student support, and the tuition fee collection after enrollment as the data on the newly enrolled student in the case of a person who completes the admission procedures.
   In addition, our university may outsource some operations above to an external company after making the contract concerning the appropriate handling of personal information.
GUNMA UNIVERSITY
How to make a Payment of Examination Fee at Convenience Store or by Credit Card

You can pay the examination fee at a nearby Convenience Store (Lawson, Ministop, FamilyMart, Seven-Eleven, Circle K or Sunkus) by cash, or by a credit card.

1 Online Application

Visit the payment website from your computer or cell phone at:

https://e-shiharai.net/

- You can not correct or cancel anything once your credit card payment has been made. Please check all your information carefully before you confirm the application.
- If you input the wrong information while trying to obtain your application number, please start again from the beginning and make your payment. If you fail to pay the fee by the due date which you will be notified after completing the online application, all the information you had input will be canceled automatically.

2 Convenience Store Payment

Tell the counter staff that you want to make an "internet payment." Then provide your [Application Number] and a credit card.

A multifunction copier can not be used to make payment.

- Make the payment at the register.
- Receive an Application Fee Statement. Detach the Certificate of Payment (receipt portion).

3 Application

Paying at Convenience Store

Attach the receipt portion to "The Certificate of Payment" in the designated location.

Attach Your Certificate of Payment to the Application

*(When attaching the certificate of payment, be sure to use glue which is suitable for use with thermal paper and pre-arranged paper. Please check the glue label.)*

*In the case that you have made your payment using a cash register at a Convenience store, you don’t need to endorse a bank receipt of any kind.

Paying by Credit Card

After making your payment, please make sure you have access to a printer with paper(A4).

Access "申込用紙ダウンロード (Application)" at e-shiharai.net.

- 1. Check your card number. [2. Input Receipt Number. [3. Input your Birth Date (YYYY/MM/DD).]]
- Then all of your application information is displayed.
- Click "申込用紙作成 (Create Application Application)"
- Attach the certificate portion of "応用証明書 (The Certificate of Payment)" in the designated location.
- Enclose in an envelope with all other necessary application documents.

- Please confirm the information on the documents and complete your payment within the application period.
- If you are paying at a convenience store, please be sure to complete your web application at least 30 minutes before the end of the payment period time.

In addition, the steps for using information terminals at various convenience stores and payment deadlines for credit card payments are all mentioned in your application guidelines.

You can print a receipt from the “Application Results” page on the E-shiharai site after making credit card payments only.

- Please contact your credit card company directly if your card is not accepted.

The Cancer Professionals Training Course

This training has three courses (1. Cancer Genomic Medicine and Nursing, 2. Pediatric, Adolescents and Young Adults (AYAs), and Rare Cancer Nursing Science, 3. Living with Cancer and Quality of Life in Cancer Nursing Science) to cultivate human resources specialized cancer medical services meeting multiple needs.

(Note) A person who desires to take the course should consult with Academic Advisers of Cancer or Pediatric Nursing prior to application.

* See the brochure of our Graduate School of Health Sciences for characteristics of each field, requirements for completion, career options of those who complete graduate school and subjects.
**Supervisors and their main contents of research (Doctoral program)**

Contact information: +81-27-220-the extension number, e-mail address: to be followed by gunma-u.ac.jp after@ 

You need to communicate with the supervisor you want to receive guidance for confirmation prior to application.

Examination Fee Transfer Form

Notes:
① The payment must be made at a teller's window of your nearest bank by wire transfer using the below Examination Fee Transfer Form issued by our University (the payment cannot be made at post office). You are not supposed to make the payment by using ATM (automatic teller machine), cell phone, or the Internet.
② Fill out the thick-bordered boxes by using a ball-point pen. (The form written in pencil is unacceptable.)
③ A bank transfer fee must be borne by a person who pays the fee.
④ Confirm that the “Certificate of Transfer Receipt” provided (for being submitted to University) is sealed by financial institution and paste it on the “Sheet for Certificate of Transfer Receipt” [From-4] and be sure to enclose it with the admission documents.
⑤ Make sure you keep the transfer receipt as your own duplicate with good care.
2019 the Graduate School of Health Sciences (Doctoral Program), Gunma University
Sheet for Certificate of Transfer Receipt

1. Payment at bank

Certificate of Transfer Receipt

Please paste “Certificate of payment” here.

2. Payment at Convenience Store

Certificate of Payment

Please paste “Certificate of Payment” above.

If you are receiving the Japanese Government (MEXT) Scholarship at the time of application, the examination fee payment is not required. Please submit the document certifying that you are the recipient of the scholarship.

☐ I am receiving the Japanese Government (MEXT) Scholarship at the time of application. (Fill in a circle in the square. The recipient of the scholarship doesn't have to pay the examination fee.)

☐ I am the sufferer from Great East Japan earthquake and applying for exemption of the examination fee. (Fill in a circle in the square. The applicant doesn’t have to pay the examination fee.)

☐ I am are expected to complete the Master’s Program (M.S.) in the Graduate School of Health Sciences of Gunma University. (Fill in a circle in the square. The applicant doesn’t have to pay the examination fee.)

3. Payment by Credit card

Please select one from the following four payment methods.

1. Payment at a bank in Japan (the payment cannot be made at post office).
   (1) The examination fee transfer form [Form 3] provided must be used and the payment should be made at a teller’s window of your nearest bank. Bank transfer fees must be borne by the person who pays the fees.
   (2) Confirm that the “Certificate of Transfer Receipt” is sealed by the bank (financial institution) and paste it on the prescribed place in the “Sheet for Certificate of Transfer Receipt”.
   (3) The transfer payment receipt should be kept with good care as your own duplicate.
   (4) Transfer payment period: December 10 (Mon.), 2018 to 15:00 (Japan time) of January 10 (Thu.), 2019.
   (5) We do not accept the “Certificate of Transfer Receipt” without a seal by financial institution, one with the amended amount of money, or one written with a pencil. Payment by using ATM (Automated Teller Machine), cell phone or personal computer should not be made.

2. Payment at a convenience store (make sure that you have a personal computer or cell phone nearby).
   (1) Refer to the page 34 when you pay at a convenience store. Payment commissions must be borne by the person who pays the fees.
   (2) After payment, receive the “Application Fee Statement”, detach the “Certificate of Payment” (receipt) portion from it, and paste it on the prescribed place in the “Sheet for Certificate of Transfer Receipt” [Form 4].
   (3) Payment period: December 10 (Mon.), 2018 to 15:00 (Japan time) of January 10 (Thu.), 2019. When you make payment via the web site, you have to pay 30 minutes before the end of payment period.

3. Payment by credit card (make sure that you have a personal computer or cell phone connected to a printer with A4 paper nearby).
   (1) Refer to the page 34 when you pay by credit card. Payment commissions must be borne by the person who pays the fees.
   (2) After payment, print the “Application Fee Statement”, detach the “Certificate of Payment” (receipt) portion from it, and paste it on the prescribed place in the “Sheet for Certificate of Transfer Receipt” [Form 4].
   (3) Payment period: December 10 (Mon.), 2018 to 15:00 (Japan time) of January 10 (Thu.), 2019.

(Note) 1 Write the outline on the front side of this form (not on the back side). You can paste the outline created by a personal computer within the frame border.

2 Consult with the supervisor of your preferred study field (see pages 36-38) in advance and write the outline of your preferred study.

3 Don’t fill in the columns with the mark "*".

(For the Graduate School of Health Sciences/Doctoral Program, Gunma University in FY2019)
Since I want to take an entrance examination for the Graduate School of Health Sciences (Doctoral Program), Gunma University in 2019, I would like to request the screening for admission requirements under the following conditions.

***

1. Circle the applicable number of the items described below.

   (1) Applicants who have been engaged in a research for at least two years at university or research institute after graduating from a university or completing 16 years of school education outside Japan, and whom our graduate school has admitted a scholastic ability comparable to people with a Master’s degree or a professional degree due to the research achievements

   (2) Applicants whose scholastic ability have been deemed by individual pre-admission screening to be at least equivalent to that of a university graduate and who will reach the age of 24 by March 31, 2019,

2. Preferred study area ( )

3. Your preferred educational study field ( )

4. Name of the supervisor of the "special study” you want to receive guidance ( )

5. Attached documents

   Circle the applicable numbers of the documents attached to this application.

   a. Reports on research history and work history (using Form-9 attached to this guideline)
   b. Research results or other noted accomplishments such as literature, if any,
   c. Proof of graduation from or completion of your highest level of schooling
   d. Academic transcript of your highest level of schooling
   e. Other document ( )

   * Please also fill in the personal record on the back side.
