Admission Policy of Gunma University Graduate School

Admission policy
~ We seek the following applicants ~
We seek applicants who have academic skills and capabilities required by the graduate schools or institutes according to their programs or specialties. Applicants should be motivated to contribute to the development of society through research and practice.

Admission Policy of Gunma University The Graduate School of Health Sciences (Master’s Program)

~ Our Master’s Program is recruiting for the following applicants. ~

<Objectives of human resource development>
(1) Persons who understand holistic medicine and have sophisticated expertise and skills,
(2) Persons who have the basic literacy to practice education and researches in the specialized field,
(3) Persons who can engage in community-based activities as health care/welfare professionals,
(4) Persons who can engage in international health care and welfare activities

<Capabilities and qualities required for enrolled students>
(1) Persons with the desire to make a contribution to society in the health care and welfare fields,
(2) Persons who enter the subsequent doctoral program (Ph.D.) of the Health Sciences course and aspire to be educators/researchers

<Screening method>
We comprehensively evaluate the results of essay-type test, foreign language test and oral test, and the academic transcript of the applicant and the application documents such as the outline of his/her preferred study. The essay-type test measures his/her general knowledge and thinking power on health science and medical science. The foreign language test measures his/her reading comprehension of the English literature on health science and medical science. We also conduct entrance examinations for working people and international students in addition to a general entrance examination.

Note 1 Foreign language (English) examination

(1) For applicants who take General entrance examination or Entrance examination for the working people, a written test of foreign language (English) can be substituted by submitting any score of TOEFL-PBT (paper-based test), TOEFL-iBT (internet-based test), TOEIC Listening & Reading Test (open test), or IELTS (academic module). The score of TOEFL-ITP (TOEFL Institutional Testing Program) is also subject to evaluation according to the score of TOEFL-PBT.

Applicants who have submitted any one of TOEFL’s official score report, score card, official certificate of TOEIC Listening & Reading Test (open test) or IELTS (academic module) at the time of application can take the foreign language (English) test also, if they wish. In that case, the better result will be used for evaluation.

The score of TOEFL, TOEIC Listening & Reading Test (open test) or IELTS (academic module) issued after September 2016 (within three years counting backward from the month of entrance examination) shall be valid. You need to submit the original of the score report, score card or official certificate. The copy is not acceptable. The original shall be returned with the examination admission ticket.

(2) Applicants can use any one of English-Japanese dictionary, English-English dictionary or other similar dictionary (excluding electronic dictionary and technical dictionary) at the foreign language (English) test.

Note 2 The oral test asks specialized knowledge, research capability and study plan of each applicant individually to evaluate the adequacy and motivation as researcher or professional with a high level of expertise.

Note 3 Applicants of International Students can choose the essay test with questions and answers in English. They can choose the questions and answers in English also for the foreign language (English) test. <International Student Entrance Exam>

Note 1  Foreign language (English) examination

(1) For applicants who take the international student entrance examination, a written test of foreign language (English) can be substituted by submitting any score of TOEFL-PBT (paper-based test), TOEFL-iBT (internet-based test), TOEIC Listening & Reading Test (open test), or IELTS (academic module). The score of TOEFL-ITP (TOEFL Institutional Testing Program) is also subject to evaluation according to the score of TOEFL-PBT.

Applicants who have submitted any one of TOEFL’s official score report, score card, official certificate of TOEIC Listening & Reading Test (open test) or IELTS (academic module) at the time of application can take the foreign language (English) test also, if they wish. In that case, the better result will be used for evaluation.

The score of TOEFL, TOEIC Listening & Reading Test (open test) or IELTS (academic module) issued after September 2016 (within three years counting backward from the month of entrance examination) shall be valid. You need to submit the original of the score report, score card or official certificate. The copy is not acceptable. The original shall be returned with the examination admission ticket.

(2) Applicants can use any one of English-Japanese dictionary, English-English dictionary or other similar dictionary (excluding electronic dictionary and technical dictionary) at the foreign language (English) test.

(3) Applicants of International Students can choose the essay test with questions and answers in English. They can choose the questions and answers in English also for the foreign language (English) test. Applicants who want to take an exam in English need to contact Admissions Section, Educational Affairs Office, TEL. +81-27-220-7797 E-mail: kk-mgakumu5@jimu.gunma-u.ac.jp by 17:00 (Japan time) on Friday July 5, 2019.

We may ask foreign applicants some questions about Japanese proficiency at the oral examination.

Note 2  Oral examination

(1) For applicants with difficulty in coming to Japan for oral examination, we may use the results of the interview on the Internet for evaluation. However, the above shall be applied only in the case where the applicants have submitted any score of TOEFL-PBT (paper-based test), TOEFL-iBT (Internet-based test), TOEIC Listening & Reading Test (open test), or IELTS (academic module).

(2) In principal, the oral examination of the international student entrance examination is held in English. Subsequently, we may ask some questions about Japanese proficiency.

<Date of examination>
The examination is held on the same day with the general entrance examination. However, the schedule for the interview on the Internet is determined individually.

<Messages about the International Student Entrance Exam>
Contact the supervisor you want to receive guidance (see pages 40-44) prior to the application and make sure to consult him/her on your research plan after admission. Note that most of the lectures are held in Japanese.

<Double applications for the international student entrance examination and the general entrance examination>
Not acceptable.

15 Special measures for educational method

We offer the day and evening courses system for students who have passed the entrance examination for working people, and those in employment who have passed the general entrance examination, if they wish.

Under the system, education is provided at night (from 18:00 to 21:10), on Saturdays, Sundays and national holidays and during summer or other vacation period.

16 System for long-term degree completion

The system allows particular students such as students in employment who have difficulty completing the regular course within the formally-stated period of study (2 years for master’s course) to extend the study period so that they can take and complete the courses systematically over the said period.

Students who want to use the system need to consult with the supervisor and apply within the application period.

(1) Eligible students

1) Students in employment (or to be employed) who have difficulty sparing time to study or to take lessons due to business assignment,
2) Students who have difficulty sparing time to study or to take lessons due to household duties, childcare and/or nursing care,
3) Besides these, students who have reasons the Graduate School of Health Sciences approves for application of the said system.

(2) Long-term study period

The period adding one year or two years to the formally-stated period of study (but the school days should not exceed twice as long as the said period of study)

(3) Tuition fee

The annual tuition fee for the long-term study period is the amount obtained by multiplying the number of years equivalent to the number of the formally-stated period of study (two years) to the prescribed annual tuition fee (JPY 535,800) and then being divided by the number of course term given for a long-term student.

(4) Application period

From Friday, February 28 to Friday, March 6, 2020

(5) Documents to be submitted

1) Application form for the system for long-term degree completion
2) Curriculum/study plan under the system for long-term degree completion
3) Certificate of enrollment required for a student in employment
4) Other documents required by the Graduate School of Health Sciences
Refer to the guideline enclosed with the letter of acceptance for details.

(6) Inquiries:
Graduate Student Section, Educational Affairs Office, Showa Campus, Gunma University
TEL. +81-27-220-7804

17 Information disclosure about entrance examination
The information about entrance examination is disclosed in the following way.

2 Course for Certified Nurse Specialist (CNS)
Our graduate school is a certified educational institution which students can get qualification in the fields of cancer nursing, gerontological nursing, chronic care nursing and maternal nursing to take the CNS test.

In the CNS course, students need to complete six to ten credits in the clinical training. They also need to complete 38 credits in cancer nursing and gerontological nursing. The chronic care nursing and maternal nursing field are now planned to change its course requirements from the year of 2020, in which students need to complete 38 credits.

See the website of the Japanese Nursing Association (http://www.nurse.or.jp) for CNS.

(Note) A person who desires to take this course should consult his/her Academic Adviser and submit the application.

3 The Cancer Professionals Training Course
This training has three courses (1. Cancer Genomic Medicine and Nursing, 2. Pediatric, Adolescents and Young Adults (AYAs), and Rare Cancer Nursing Science, 3. Living with Cancer and Quality of Life in Cancer Nursing Science) to cultivate human resources specialized cancer medical services meeting multiple needs.

(Note) A person who desires to take the course should consult with Academic Advisers of Cancer or Pediatric Nursing prior to application.

4 Clinical Research Coordinator (CRC) administrator course
The course aims to educate “clinical research professionals” with advanced knowledge and skills required for clinical researches to implement and lead a high-quality clinical research. Students who want to take the course need to consult with the advisor.

5 Community-based nursing leader course
The course aims to educate students to acquire leadership skills to provide seamless care among the community, home, and hospital settings. Upon graduation, students are expected to be community-based nursing leaders with “a home care mind” in response to today’s social requirements.

(Note) A person who desires to take this course should consult his/her Academic Adviser and submit the application.

* See the brochure of our Graduate School of Health Sciences for requirements for completion, career options of those who complete graduate school and subjects.
