Admission Policy of Gunma University Graduate School

Admission policy
~ We seek the following applicants ~
We seek applicants who have academic skills and capabilities required by the graduate schools or institutes according to their programs or specialties. Applicants should be motivated to contribute to the development of society through research and practice.

Admission Policy of Gunma University The Graduate School of Health Sciences (Doctoral Program)

~ Our Doctoral Program is recruiting for the following applicants. ~

<Objectives of human resource development>

⑴ Persons who can practice creative or interdisciplinary researches in the health care and welfare fields.
⑵ Persons who can practice a high degree of education in the health care and welfare fields
⑶ Persons who have a high level of expertise and technique in health sciences and will become a leader in the health care and welfare fields
⑷ Persons who can engage in guidance, education and research in the international health care and welfare fields

<Capabilities and qualities required for enrolled students>

⑴ Persons who aspire to make a contribution to society with Master’s level expertise and research experience in the health care and welfare fields
⑵ Persons with the aspiration to make a contribution to society in the health care and welfare fields in the future

<Screening method>

We comprehensively evaluate the results of the academic examination (foreign language (English) and the oral test, achievements including the Master’s thesis or achievements including academic papers you have published as first author, and academic performance. The foreign language test measures your reading comprehension of the English literature. The oral test asks specialized knowledge and research capability individually to evaluate the adequacy and motivation as researcher or professional with a high level of expertise.

Contact the supervisor you want to receive guidance (see pages 36-39) prior to the application and make sure to consult him/her on your research plan after admission. Note that most of the lectures are held in Japanese.

<Double applications for the international student entrance examination and the general entrance examination>
Not acceptable.

10 Exam Instructions
⑴ The examination admission ticket must be brought with you on the examination day.
⑵ Examinees who take the “Foreign Language (English)” must enter the prescribed examination room by 10:30. Late arrivals for the examination will be accepted to take the examination within 30 minutes after the start of the examination, but the test time shall not be extended.
⑶ No relief measures are taken for any common daily life noises such as test proctor’s footsteps, conversation necessary for invigilation, noises of aircraft, ambulance, car, weather and air conditioning, cough, sneeze, sniffing of applicants around you, short sound of mobile phone or watch, and chime from a nearby building.
⑷ Examinees must take all tests on the examination subjects assigned, or he/she will be disqualified.
⑸ You need to bring your lunch on the day of the examination. (There is no restaurant nearby.)
⑹ When a delay occurs on the public transport on the examination day, please contact:
Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University (TEL. +81-27-220-7797)
⑺ If unexpected incidents (a disaster, an accident, etc.) happen on the day of examination, visit our website (https://www.health.gunma-u.ac.jp/) for your reference. In principle, we will not conduct supplementary examinations.

11 Announcement of Successful Applicants
Letters of acceptance will be mailed to successful applicants on February 22 (Mon.), 2021. At the same time, successful examinee’s numbers will be posted on the website of “the Graduate School of Health Sciences, Gunma University” after 10:00 to the last day for admission procedures. Notice about the announcement of successful applicants will not be posted in Gunma University campus.
Additionally, any inquiries about selection results by telephone will not be accepted.

12 Admission Procedures
The successful applicant is required to read the “admissions guide” enclosed with “the letter of acceptance” carefully and must prepare (1) fees and documents for admission procedures, (3) during the period of the admission procedures, and submit them to the (4) place by “mail” or “in person”.

(1) Fees and documents for admission procedures
   ① Admission fee: ¥282,000 (JPY 282,000)
      Notes: (a) Applicants who are completing the Graduate School of Health Sciences (Master’s Program), Gunma University and will enter the Doctoral Program shall be exempted from the examination fee.
      (b) Any revisions to admission fee during enrollment shall be applied.
      (c) Methods for payment of the admission fee will be informed separately.
      (d) Admission fee paid shall not be refunded under any circumstances.

   ② Examination admission ticket

   ③ Any additional documents instructed in the admissions guide.

(2) Fees after entrance.
   Tuition fee: (first-semester) ¥267,900 (JPY 267,900)  (Annual tuition fee: ¥535,800 (JPY 535,800))
   Notes: (a) Any revisions to tuition fees during enrollment shall be applied.
   (b) Methods for payment of the tuition fee will be informed separately.
   (c) Tuition fee including the tuition fee for the second-semester can be paid at the time of paying the tuition fee for the first-semester according to the successful applicant’s wishes.
   (d) If a person who completes the admission procedures declines the admission by March 31 (Wed.), 2021, the amount equivalent to the tuition fee paid shall be refunded based on his/her request by following the prescribed procedures.

Those who apply for the long-term degree completion (17 of Page 32) only need to pay the admission fee first and each will be noticed about the tuition after fixing its annual fee.

(3) Period of Admission Procedures
   ○ By mail: The necessary documents must arrive at the university no later than March 5(Fri.), 2021.
   Note: Whether he/she will be regarded as a person who declines the admission if the admission procedures are not completed by the above deadline.

(4) Mailing address
   Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University, 3-39-22 Showa-machi, Maebashi City, Gunma 371-8511, JAPAN
   (The third floor of Common Building)

13 Additional admission
When the number of enrolled students who have completed the school registration by Friday, March 5, 2021 is less than that the number to be admitted, we may fill the enrollment capacity by granting the additional admission. Students granted the additional admission will be informed after 1000 (Japan time) March 8(Mon.), 2021 by e-mail stated on the application.

14 Exemption and Postponement of Admission Fee and Tuition Fee Payment
The admission fee or the tuition fee may be exempted in full or by half for admitted students who have difficulty paying due to special circumstances.
Also, the collection of admission fee or tuition fee can be postponed for a certain period for students
who have difficulty paying until the specified deadline.

Inquiries:
Education and Student Support Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University TEL. +81-27-220-7796

15 Scholarship
Student loan is available by Japan Student Services Organization (JASSO) for a person who has difficulty in paying the tuition fee, and who has great academic performance and excellent character.

Also, graduate scholarship system of Japan Student Services Organization includes Post-entry Applications (system to apply for scholarship after enrollment) and Prior Applications (system to make a reservation for applying for scholarship before enrollment).

Inquiries:
Education and Student Support Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University TEL. +81-27-220-7792

16 Special measures for educational method
We offer the day and evening courses system for students who have passed the entrance examination for working people, and those in employment who have passed the general entrance examination, if they wish.

Under the system, education is provided at night (from 18:00 to 21:10), on Saturdays, Sundays and national holidays and during summer or other vacation period.

17 System for long-term degree completion
The system allows particular students such as students in employment who have difficulty completing the regular course within the formally-stated period of study (3 years) to extend the study period so that they can take and complete the courses systematically over the said period.

Students who want to use the system need to consult with the supervisor and apply within the application period.
(1) Eligible students
1) Students in employment (or to be employed) who have difficulty sparing time to study or to take lessons due to business assignment,
2) Students who have difficulty sparing time to study or to take lessons due to household duties, childcare and/or nursing care,
3) Besides these, students who have reasons the Graduate School of Health Sciences approves for application of the said system.
(2) Long-term study period
The period adding one to three years to the formally-stated period of study (but, the school days should not exceed twice as long as the said period of study)

(3) Tuition fee
The annual tuition fee for the long-term study period is the amount obtained by multiplying the number of years equivalent to the number of the formally-stated period of study (three years) to the prescribed annual tuition fee (JPY 335,800) and then being divided by the number of course term given for a long-term student.

(4) Application period
From February 24 (Wed.) to March 5 (Fri.), 2021

(5) Documents to be submitted
1) Application form for the system for long-term degree completion
2) Curriculum/study plan under the system for long-term degree completion
3) Certificate of enrollment required for a student in employment
4) Other documents required by the Graduate School of Health Sciences
   Refer to the guideline enclosed with the letter of acceptance for details.

(6) Inquiries:
   Graduate Student Section, Educational Affairs office, Showa Campus, Gunma University
   TEL. +81-27-220-7804

18 Information disclosure about entrance examination
The information about entrance examination is disclosed in the following way.

(1) Disclosure on the website
   The numbers of applicants, examinees, successful examinees and enrolled students, the number of
   enrolled students by gender
   Release date: May 6 (Thu.), 2021
(2) The score of an examinee’s foreign language tests are disclosed on demand from the examinee in
   writing
   Disclosure application period:
   From May 6 (Thu.) to May 28 (Fri.), 2021
(3) Inquiries:
   Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma
   University
   TEL. +81-27-220-7797

19 Protection of the Personal Information about the Applicants for Admission etc.
Gunma University will acquire the personal information about the applicants, etc. through the
application documents submitted and the personal information about the examinees by carrying
out the entrance examination, but the personal information described above will be used only for
the following operations based on “Act on the Protection of Personal Information Held by National
University Corporation Gunma University”.

(1) For the operations (including subordinate operation, such as statistical processing) concerning the
   selection of newly enrolled students.
(2) For the operations concerning the student advising, the student support, and the tuition fee
   collection after enrollment as the data on the newly enrolled student in the case of a person who
   completes the admission procedures.
(3) For the operations (including the improvement of entrance examination, research and analysis
   of applicants trend, and making various statistical materials) concerning the entrance examination,
   education and research, student supports, and other things related to university management.
   On the announcement of result of investigative research using the personal information, we
   process all personal data to be unable to identify the individual.
   In addition, our university may outsource some operations above to an external company after
   making the contract concerning the appropriate handling of personal information.

The Cancer Professionals Training Course
This training has three courses (1. Cancer Genomic Medicine and Nursing, 2. Pediatric, Adolescents and Young Adults (AYAs), and Rare Cancer Nursing Science, 3. Living with Cancer and Quality of Life in Cancer Nursing Science) to cultivate human resources specialized cancer medical services meeting multiple needs.
(Note) A person who desires to take the course should consult with Academic Advisers of Cancer or Pediatric Nursing prior to application.

* See the brochure of our Graduate School of Health Sciences for characteristics of each field, requirements for completion, career options of those who complete graduate school and subjects.
