Admission Policy of Gunma University Graduate School

Admission policy
~ We seek the following applicants ~

We seek applicants who have academic skills and capabilities required by the graduate schools or institutes according to their programs or specialties. Applicants should be motivated to contribute to the development of society through research and practice.

Admission Policy of Gunma University The Graduate School of Health Sciences (Doctoral Program)

~ Our Doctoral Program is recruiting for the following applicants. ~

<Objectives of human resource development>
1. People who can practice creative or interdisciplinary researches in the health care and welfare fields.
2. People who can practice a high degree of education in the health care and welfare fields.
3. People who have a high level of expertise and technique in health sciences and will become a leader in the health care and welfare fields.
4. People who can engage in guidance, education and research in the international health care and welfare fields.

<Capabilities and qualities required for enrolled students>
1. People who have the master’s level of health care and welfare expertise and research experience.
2. People who have the communication and language skills necessary to promote research from a global perspective and disseminate the results widely.
3. People who are willing to contribute to society as researchers, educators, or highly-skilled professionals in the fields of health care and welfare.

<Basic policy for selecting enrollment>
This major will conduct the following entrance examinations for selecting students with the grounding listed above and make a comprehensive judgment by the results of an academic examination (foreign language (English)), achievements including a thesis submitted at the end of the master’s program or an academic paper published as the first author, an oral examination, and academic achievements. In the oral examination, questions regarding expertise knowledge and research skills will be asked individually.

General entrance examination, Entrance examination for working people, and Entrance examination for international students

The foreign language (English) examination will be imposed to evaluate “ability to read and comprehend literature in English” (Capabilities and qualities required for enrolled students 2). Moreover, an oral examination will be imposed to evaluate “expertise knowledge, research ability, research plan, and the aptitude and motivation as a researcher or highly-skilled professional” (Capabilities and qualities required for enrolled students 1-3). Furthermore, the application documents will be added for a comprehensive judgment.

We may ask foreign applicants some questions about Japanese proficiency at the oral examination.

(2) International Student Entrance Exam

Foreign language (English)
Please refer ⑴ ① and ②

Oral examination
① For applicants with difficulty in coming to Japan for oral examination, we may use the results of
the interview on the Internet for evaluation. However, the above shall be applied only in the case
where the applicants have submitted any score of TOEFL-PBT (paper-based test), TOEFL-ITP
(Institutional Testing Program), TOEFL ITP® Plus for China, TOEFL-iBT (Internet-based test),
TOEFL iBT® Home Edition, TOEIC Listening & Reading Test (open test), or IELTS (academic
module).
② In principal, the oral examination of the international student entrance examination is held in
English. Subsequently, we may ask some questions about Japanese proficiency.
③ The examination is held on the same day with the general entrance examination. However, the
schedule for the interview on the Internet is determined individually.

(Messages about the International Student Entrance Exam)
Contact the supervisor you would like to receive guidance (see pages 36-39) prior to the application
and make sure to consult him/her on your research plan after admission. Note that most of the
lectures are held in Japanese.

<Double applications for the international student entrance examination and the general entrance
examination>
Not acceptable.

10 Exam Instructions
(1) The examination admission ticket must be brought with you on the examination day.
(2) Examinees who take the “Foreign Language (English)” must enter the prescribed examination
room by 10:30 a.m. Late arrivals for the examination will be accepted to take the examination within
30 minutes after the start of the examination, but the test time shall not be extended.
(3) No relief measures are taken for any common daily life noises such as test proctor’s footsteps,
conversation necessary for invigilation, noises of aircraft, ambulance, car, weather and air
conditioning, cough, sneeze, sniffing of applicants around you, short sound of mobile phone or watch,
and chime from a nearby building.
(4) Examinees must take all tests on the examination subjects assigned, or he/she will be disqualified.
(5) You need to bring your lunch on the day of the examination. (There is no restaurant nearby.)
(6) When a delay occurs on the public transport on the examination day, please contact :
Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma
University (TEL. +81-27-220-7797)
(7) If unexpected incidents (a disaster, an accident, etc.) happen on the day of examination, visit our
website (https://www.health.gunma-u.ac.jp/) for your reference. In principle, we will not conduct
supplementary examinations.

11 Announcement of Successful Applicants
Letters of acceptance will be mailed to successful applicants on October 4 (Tue.), 2022. At the same
time, successful examinee’s numbers will be posted on the website of “the Graduate School of Health
Sciences, Gunma University” after 10:00 a.m. to the last day for admission procedures. Notice about the
announcement of successful applicants will not be posted in Gunma University campus. Additionally, any inquiries about selection results by telephone will not be accepted.

12 Admission Procedures
The successful applicant is required to read the "admissions guide" enclosed with "the letter of acceptance" carefully and must prepare the (1) fees and documents for the admission procedures, (3) during the period of the admission procedures, and submit them to the (4) place by "mail".

(1) Fees and documents for admission procedures
   ⑴ Admission fee: ¥282,000 (JPY 282,000)
      Notes: (a) Applicants who are completing the Graduate School of Health Sciences (Master’s Program), Gunma University and will enter the Doctoral Program shall be exempted from the examination fee.
      (b) Any revisions to the admission fee during enrollment shall be applied.
      (c) Methods for the payment of the admission fee will be informed separately.
      (d) The admission fee paid shall not be refunded under any circumstances.
   ⑵ Examination admission ticket
   ⑶ Any additional documents as instructed in the admissions guide

(2) Fees after enrollment
   Tuition fee: (First-semester) ¥267,900 (JPY 267,900) (Annual tuition fee: ¥535,800 (JPY 535,800))
   Notes: (a) Any revisions to tuition fees during enrollment shall be applied.
   (b) Methods for the payment of the tuition fee will be informed separately.
   (c) The tuition fee for the second-semester can be paid at the time of paying the tuition fee for the first-semester, if the successful applicant so wishes.
   (d) If a person who completes the admission procedures declines the admission by March 31 (Fri.), 2023, the amount equivalent to the tuition fee paid shall be refunded based on his/her request by following the prescribed procedures.

Those who apply for the long-term degree completion (17 of Page 32) only need to pay the admission fee first and each will be noticed about the tuition after fixing its annual fee.

(3) Period of Admission Procedures
   ○ By mail: The necessary documents must arrive at the university no later than October 18 (Tue.), 2022.
      Note: They will be regarded as declining the admission if the admission procedures are not completed by the above deadline.

(4) Mailing address
   Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University, 3-39-22 Showa-machi, Maebashi City, Gunma 371-8511, JAPAN
   (The third floor of Common Building)

13 Additional admission
When the number of enrolled students who have completed the school registration by October 18 (Tue.), 2022 is lower than the number to be admitted, we may fill the enrollment capacity by granting the additional admission. Students granted the additional admission will be informed after 10:00 a.m. (Japan time) on October 19 (Wed.), 2022 by e-mail stated on the application.

14 Exemption and Postponement of Admission Fee and Tuition Fee Payment
The admission fee or the tuition fee may be waived in full or by half for admitted students who have difficulty paying due to special circumstances.
Additionally, the collection of the admission fee or tuition fee can be postponed for a certain period
15 Scholarship
Student loan is available by Japan Student Services Organization (JASSO) for a person who has difficulty in paying the tuition fee, and who has great academic performance and excellent character.

Additionally, graduate scholarship system of Japan Student Services Organization includes Post-entry Applications (system to apply for scholarship after enrollment) and Prior Applications (system to make a reservation for applying for scholarship before enrollment). Those who wish to apply for the Prior Application are able to apply it before the announce of our entrance examination results, but should make an inquiry below by the end of September as there’s a recruitment period.

Inquiries:
Education and Student Support Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma University TEL. +81-27-220-7792

16 Special measures for educational method
We offer the day and evening courses system for students who have passed the entrance examination for working people, and those in employment who have passed the general entrance examination, if they wish.

Under the system, education is provided at night (from 6:00 p.m. to 9:10 p.m.), on Saturdays, Sundays and national holidays and during summer or other vacation period.

17 System for long-term degree completion
The system allows particular students such as students in employment who have difficulty completing the regular course within the formally-stated period of study (3 years) to extend the study period so that they can take and complete the courses systematically over the said period.

Students who would like to use the system need to consult with the supervisor and apply within the application period.

⑴ Eligible students
1) Students in employment (or to be employed) who have difficulty sparing time to study or to take lessons due to business assignment,
2) Students who have difficulty sparing time to study or to take lessons due to household duties, childcare and/or nursing care,
3) Besides these, students who have reasons the Graduate School of Health Sciences approves for application of the said system.

⑵ Long-term study period
The period adding one to three years to the formally-stated period of study (but the school days should not exceed twice as long as the said period of study).

⑶ Tuition fee
The annual tuition fee for the long-term study period is the amount obtained by multiplying the number of years equivalent to the number of the formally-stated period of study (three years) to...
the prescribed annual tuition fee (JPY 535,800) and then being divided by the number of course
term given for a long-term student.
(4) Application period
   From February 22 (Wed.) to March 6 (Mon.), 2023.
(5) Documents to be submitted
   1) Application form for the system for long-term degree completion
   2) Curriculum/study plan under the system for long-term degree completion
   3) Certificate of enrollment required for a student in employment
   4) Other documents required by the Graduate School of Health Sciences
      Refer to the guideline enclosed with the letter of acceptance for details.
(6) Inquiries :
   Graduate Student Section, Educational Affairs office, Showa Campus, Gunma University
   TEL. +81-27-220-7804

18 Information disclosure about entrance examination
The information about entrance examination will be disclosed as follows.
(1) Disclosure on the website
   The numbers of applicants, examinees, successful examinees and enrolled students, the number of
   enrolled students by gender
   Release date: May 8 (Mon.), 2023.
(2) The score of an examinee’s foreign language tests are disclosed on demand from the examinee in
   writing
   Disclosure application period:
   From May 8 (Mon.) to May 31 (Wed.), 2023.
(3) Inquiries :
   Admissions Section, Educational Affairs Office, Administration Division, Showa Campus of Gunma
   University
   TEL. +81-27-220-7797

19 Protection of the Personal Information of Applicants for Admission.
Gunma University will acquire personal information about applicants through the application
documents submitted and personal information about examinees by carrying out the entrance
examination; However, the personal information described above will be used only for the following
operations, based on the “Act on the Protection of Personal Information Held by National University
Corporation Gunma University”.

https://e-shiharai.net/

※You can not correct or cancel anything once your credit card payment has been made. Please check all your information carefully before you confirm the application.

※If you input the wrong information when trying to obtain your application number, please start again from the beginning and make your payment.

If you are not able to make the required payment before the due date you will receive this deadline upon completing the online application, all the information you had input will be canceled automatically.

2. Convenience Store Payment

[Lawson]
[FamilyMart]

Tell the counter staff that you want to pay at the "Internet shiharai." Then provide your Payment Number and Payment Number.

A multifunction copier cannot be used to make payment.

●Make the payment at the register.
●Receive an Application Fee Statement. Detach the Certificate of Payment (receipt) portion.

[Lawson]

Select the "領収書印刷" button on the touch screen.

[FamilyMart]

Select the "領収書印刷" button on the touch screen.

3. Credit Card Payment

It is possible to use a card which carries a name different from that of the applicant. However, please make sure that the information on the basic information page is the applicant's information.

Please select "credit card" for the payment method when making your Web application.

Input your card information.

All of your application information is displayed. Check and click "確定".

Payment has been completed. Please write down "領収書番号" and "振込番号".
Please print out your "領収書" and "振込振込書".

3. Application

【Paying at Convenience Store】
Affix the receipt portion to "The Certificate of Payment" in the designated location.

【Paying by Credit Card】
After making your payment, please make sure you have access to a printer with paper(A4).
Access "領収書情報検索" at e-shiharai.net.
Please input your card number and ID number, and click "検索する".
Then all of your application information is displayed.
Click "領収書を印刷する" and print out "領収書" and "領収書情報を検索".

In the case that you have made your payment using a credit card, it is not necessary to affix a bank receipt of any kind.

※During payment periods and application periods mentioned in the application documents, you can make a payment anytime. Please confirm from application documents and complete payment in time for the application period.

※On the last date of the payment period, the web application will be closed at 2:30pm and the final deadline for the application receipt at convenience stores (Lawson, Ministop, FamilyMart, and 7-Eleven) will be at 3pm.

※Your inquiry about the payment of the entrance examination fee is not able to be handled at the convenience store. For further information, please check our website.

※Please note that refund is not possible once you have made a payment of Entrance examination fee.

※A fee is added to Examination fee. For further info, please visit our website.

※Please directly contact the credit card company if your card is not accepted.

※It will be announced on our website if either the convenience stores which handle payments or the methods of payment are changed.

The Cancer Professionals Training Course

This training has three courses (1. Cancer Genomic Medicine and Nursing, 2. Pediatric, Adolescents and Young Adults (AYAs), and Rare Cancer Nursing Science, 3. Living with Cancer and Quality of Life in Cancer Nursing Science) to cultivate human resources specialized cancer medical services meeting multiple needs.

(Note) A person who desires to take the course should consult with Academic Advisers of Cancer or Pediatric Nursing prior to application.

* See the brochure of our Graduate School of Health Sciences for characteristics of each field, requirements for completion, career options of those who complete graduate school and subjects.
